Letter of Support: Bid to Host F18 Catamaran World Championships in March 2021

It is my pleasure to express the City of Rockingham's support for The Cruising Yacht Club's bid to host the F18 Catamaran World Championships in March 2021.

Widely known as the place where the coast comes to life, our modern and vibrant city provides an ideal location to host major water-based events. We are blessed with 37 kilometres of spectacular coastline, including some of the most beautiful and pristine beaches in the metropolitan area. We are located just 40 minutes south of Perth, the state's capital city, with easy access via a major freeway and train line. We offer a wide range of quality accommodation, cafes and first class restaurants catering for tourists, as well as many exciting tourism activities.

Named after a sailing ship from our earliest days, the City has always enjoyed a strong boating culture and is a favourite destination for water sports such as kitesurfing, kayaking and wind surfing. Just recently we hosted the Western Australian State Kiteboarding Titles and the Australian Freestyle Kiteboarding Nationals. Cockburn Sound, bordering our northern beaches, is a world class sailing location, and is also home to HMAS Stirling, the largest Naval Base in Australia

The Cruising Yacht Club is a strong and enthusiastic club which has previously demonstrated its capacity to successfully organise and host major events, including the annual Cockburn Sound Regatta and many national titles in various classes over the years.

The Club has the City's support in its bid to host the exciting F18 Catamaran World Championships.

By Public Transport

Perth Airport to Elizabeth Quay Train Station by Bus.
(Train line is currently under construction and should be open by 2021)

Elizabeth Quay to Rockingham Train Station by Train, leaves every 15mins and takes 45 minutes.

Rockingham Train Station to TCYC by bus or taxi, approx. 10mins.

VENUE

TCYC boasts some of the best sailing waters in WA, if not Australia. The club was established in 1959 with the present 2 storey clubhouse being built in 1992.

The downstairs area consists of a fully licensed bar, galley, plenty of seating, toilets/showers and undercover outdoor seating area and BBQ.

VENUE

Upstairs, 'The Burgee Room', has a licensed function room that is frequently used for weddings, corporate functions and Yacht Club events. It also has a balcony perfect for watching the racing right in front of the club.

Last year the club jetty and grassed rigging area have had a major facelift which gives the Club a renewed presence to match the adjacent Foreshore reserve and café strip.

The club is home to an assortment of fleets including Cruisers and Trailer Sailors, Yvonne Catamarans, 29ers, Flying Ants, Sabres and Minnows. TCYC has one of the biggest and longest running junior sail training programs in WA.

TCYC has excellent racing facilities including a large and comfortable start/finish boat the "Andrea Christine", rescue and RIB coach's boats, and inflatable marks.

TCYC has successfully held large events with the marquee event being the Cockburn Sound Regatta starting Boxing Day every year and has held many State and National Championships for different classes over the years. Most recent Championships were the:

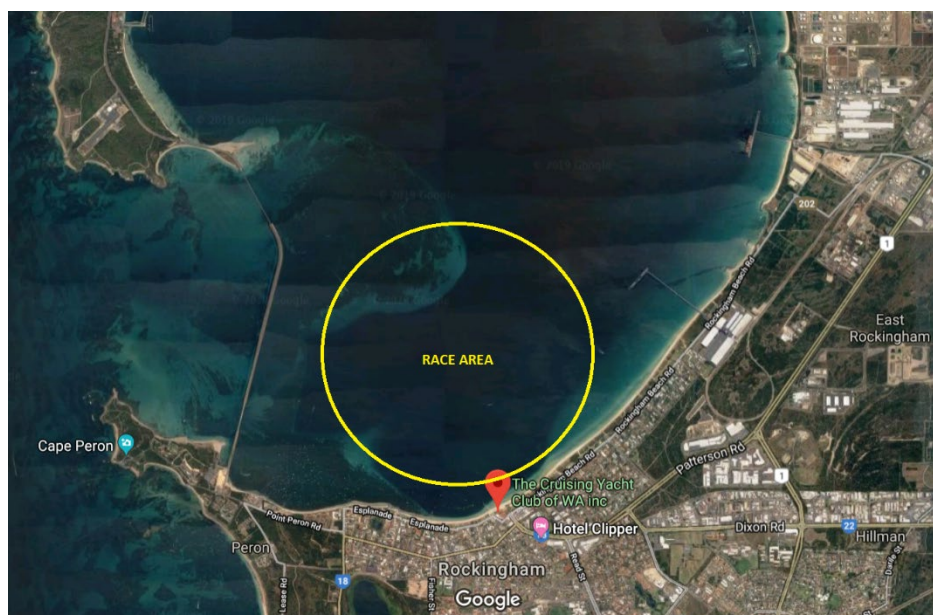

- 2015 and 2018 Minnow National Championships
- 2014/15 Skate National Championships
- 18 x Host Club for Yvonne Catamaran National Championships
- 2015/16 Flying Ant National Championships
- 2016 Hydrofoil Kite National Championships
- 2016 World Hydrofoil Pro Tour Circuit
- 2016 F18 State Championships
- 2017 and 2018 29er and 49er State Championships

EVENT LAYOUT

TCYC will provide an excellent venue for hosting the F18 World Championships with

- Plenty of beach rigging for 100+ boats
- Container storage behind club carpark
- Exclusive carparking area for club patrons
- Large grassed outdoor area with plenty of shade for sailors to relax when not racing
- Experienced race officials and volunteers
- Excellent media coverage of event
- Full Club Bar and Restaurant meals open every day of the event
- Office space and amenities for executive and protest committees
- Protected sailing waters close to shore, flat water, very little tide, no current, clean sandy beaches
