

Lake Como  
December 2024

**To the kind attention of**

Mr Ad Noordzij  
Secretary General- International Formula 18 Class Association

**Subject:** Application to host the 2026 Formula 18 European Championship

Dear Sir Noordzij,  
with this letter, Multilaro Consortium would like to formally submit its application to host the **2026 Formula 18 European Championship**.

We are pleased to accept all the requirements outlined in the bid form and are committed to fulfilling the necessary conditions to ensure the success of this prestigious event. With our extensive experience in organizing national and international regattas, the capabilities of our facilities, and the stunning Lake Como as the venue, we are confident in providing an unforgettable experience for all participants.

Multilaro Consortium proposes a participation fee of **500 euros per boat**, ensuring high-quality services, suitable facilities, and impeccable event management.

In our plan, we recommend Dervio as the preferred location for the event.

It is important to note that while Dervio offers some campsites, there are no designated camper facilities nearby; the closest option is approximately 5 km away. Additionally, all public parking areas for cars, trailers, and small vans near the regatta site and within the town are paid, with the costs to be borne by the regatta participants.

Attached is our proposal and an emotional video.

We remain available for any further information or clarification and are ready to collaborate on defining the operational details of the event.

Yours faithfully

President of Multilaro Consortium  
Antonella Scolari Maccari
